

History's Got Talent Timewarp

It's astounding
Time is fleeting
Education has taken its toll
But listen closely

Not for very much longer
IWe've got to take control

We remember causing the
Time Warp
We fixed those moments then
The timeline is sorted
But the future is calling

Let's do the Time Warp again
Let's do the Time Warp again

It's just a jump to the left
And then a step to the right
Put your hands on your hips
You bring your knees in tight

But it's the pelvic thrust
That really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again

It's so dreamy
Oh, history free me
So you can't see me
No, not at all

In another dimension
With voyeuristic intention
Well-secluded
We see all

With a bit of a mind flip
You're into the time slip
And nothing can ever bes the

same
New historical sensations
Planning a new education

Let's do the Time Warp again
Let's do the Time Warp again

Well, I was looking through
the years just a-having a think
When a Beatle named
McCartney gave me a cheeky
wink
But Elvis shook-a me up,
Buzz took me by surprise
Mike had Apollo 11 and then
there's Einstein
Martin had a dream and I felt
a change
Time meant nothing, never
would again

Let's do the Time Warp again
Let's do the Time Warp again

It's just a jump to the left
And then a step to the right
Put your hands on your hips
You bring your knees in tight

But it's the pelvic thrust
That really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again
