

There once was a boy named
Harry
Destined to be a star
His parents were killed by
Voldemort
Who gave him a lightning scar

Yo, Harry
You a wizard

Harry goes to Hogwarts
He meets Ron and Hermione
McGonagall requires he play
for Gryffindor

Draco is a daddy's boy
Quirrell becomes unemployed
The sorcerer's stone is
destroyed by Dumbledore

Ron breaks his wand
Now Ginny's gone
And Harry's in mortal danger

Tom Riddle hides
His snake inside
His ginormous secret chamber

Harry blows up Aunt Marge
The dementors come and take
charge

Lupin is a wolf
The rat's a man
And now the prisoner is at
large

They use time travel so they
can
Save the prisoner of Azkaban
Who just so happens to be
Harry's godfather
I don't really get it either

Harry gets put in the Triwizard
Tournament
With dragons and mermaids
Oh no, Edward Cullen gets
slayed
He's back

Harry, Harry, it's getting scary
Voldemort's back and you're a
revolutionary, Harry
Dumbledore, Dumbledore
Why is he ignoring your
constant attempts to contact
him?

He is forced to leave the
school
Umbridge arrives, Draco's a
tool
Kids break into the Ministry
Sirius Black is dead as can be,
oh

Split your soul, seven parts of
a whole
They're horcruxes, it's
Dumbledore's end

There once was a boy named
Harry
Who constantly conquered
death
But in one final duel between
good and bad
He may take his final breath
